INTERPRETATION - QUESTIONNAIRE

We applied the questionnaire to 34 people.

24% of all do not use a Pc in their activity, while 76% use it in different degrees:

- daily: 50%;
- weekly: 9%;
- Rarely: 15%;
- Hardly use it: 26%.

43% of all do not have an e-mail address or an Open ID.

32 people, counting for 94%, wish to be taught basic computer skills.

All the enquired people know, at least basically, a foreign language:

- English: 18 people;
- French: 13 people;
- Russian: 5 people;
- Another language: 12 people.

When it comes to English language:

- Understand very simple words: 11 people;
- Can interact in a simple way provided the other person talks slowly and clearly and is prepared to help: 3 people;
- Can deal with most situations likely to arise: 4 people.

27 people counting for 79%, have shown their interest in learning a foreign language provided our Comenius Team helps them

47% of the questioned people can use a credit card. 15 of them are retired people. Only 40% of those 15 receive their retiring pension via a credit card.

53% of the questioned people do not know how to use a credit card. 18 people are willing to learn with our help how to use it.

You can't teach an old dog new tricks, or can you ...?

Survey conceived by Ardelean Simona, Cosma Camelia, Lazar Mihaiela, Onaci Mariana

88% of the people questioned use frequently a mobile phone, and 50% of them send text messages. We consider that our help is not required in this case.

15 people, representing 44%, play or have played a musical instrument. We added these questions since we are an Art Vocational School:

- Violin: 4 people;
- Flute: 1 person;
- Piano: 6 people;
- Quitar: 2 people;
- Clarinet: 1 person;
- Tárogató: 1 person.

19 people representing 36%, never played a musical instrument.

13 people, representing 38%, wish to be taught minimal things about musical performance:

- **Piano: 8 people;**
- **Violin: 2 people;**
- **Quitar: 2 people;**
- **Saxophone: 1 person.**
